Welcome to the **Calendar** app !

Functionality :

As the manager :

✓ To login use the credentials:
  Name: Daniel
  Email: kieras@gmail.com
  Password: secret

✓ You can add and delete employees.
✓ There may be no more than one employee
  with the same surname.
✓ In the calendar view, you can see a
  table showing the colors of employees
  not working on a given day.

As an employee :

✓ To login use the credentials of already
  existing employee.
✓ You can schedule meetings with clients.

  # Only one appointement can be added
per day

  # You can not add the appointement on
  the   weekend.
